NIGHTSEA

DESIGNED AND
ASSEMBLED IN THE

USA

Since 1989

THE PERFECT LIGHT FOR EVERY ACTIVITY

The ultimate waterproof lighting platform, GoBe's robust factory sealed design is waterproof to 120 meters, works on land, and can be mounted to anything. GoBe Anywhere.

CERTIFIED PERFORMANCE

The only dive lights backed by the FL-1 Standard.

EXTERNAL RECHARGING

Innovative wet-charging interface provides a fast, worry-free design.

FACTORY SEALED DESIGN

Eliminates the leading cause of light failure - flooding due to improper sealing after recharging.

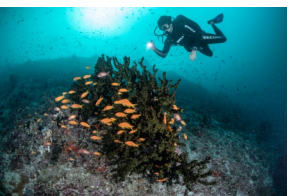

REGULATED OUTPUT

Consistent lumen output prevents dimming and ensures lightning performance through an entire dive.

CONNECT GoBe TO YOUR CAMERA, BIKE, BOAT... YOU DECIDE.

Transform GoBe to fit your needs.

THE CAMERA TRAY

Maximize underwater imagery with the ultimate camera and light tray setup. Compact travel-friendly design includes video mounts for Sola, GoBe, and Sidekick lights.

NIGHTSEA ACCESSORIES

Enhance your Fluoro-diving experience with these NightSea accessories. They cancel blue light to capture fluorescent imagery.
